

The Only True Cigar Shirt®

Twelve years of biggest collection of cigar shirts.

RealMenSmokeCigars.com

The Only True Cigar Shirt®

What we offer has been inspired from being a true cigar devotee. My first event was April 30, 2009, at Stogie's Cigar Lounge along with Rocky Patel at his cigar event.

Having over 25 years of advertising and marketing hands-on experience helps me with knowing what will work and what won't work with respect to style, material and hands-on experience.

We believe that there needed to be **TRULY** cigar-inspired items for those who believe that smoking a cigar isn't just an occasional event, but a lifestyle.

For those are your **TRUE** customers, who ultimately become your friends.

NOTE: A Logo Parody is a defense to trademark infringement. The defense is that there is no likelihood of confusion because the parody will not be taken seriously. While it must initially bring to mind the original, it must be clever enough to be clear that it is not the original nor connected with the original, but is a parody, a humorous take-off on the original.

Since 1992, the cigar factory has produced handmade cigars in Estelí, Nicaragua. They've made cigars for "now great" cigar moguls and those just getting into the cigar industry. No need to name names but you will be a repeat customer of these handmade cigars. Quality and consistency is most important to us therefore you will get the same cigar profile with every order, bundle to bundle.

If you're Official then there's no doubt.

Real Men Smoke Cigars® created the **OFFICIAL Real Man Card®** in pursuit of getting MEN to a higher standard. It seems that in the past years media and society norms have created such a uninspiring group of MEN who are not innovators, who do not hold their ground with their opinions, have forgotten simple courtesies such as opening a door for someone else, or simply being a gentlemen. Our card holds these men to a higher standard by a check system of their peers who also have the card.

With over 900 Members and growing, you will make sure to keep your fellow "Real Men" in check.

The Only True Cigar Shirt®
